J-1 Student Transfer-In Sponsor Authorization Form

Degree-seeking Sponsored Students who are currently enrolled at the University of Utah and have a J-1 visa sponsored by an outside organization (e.g., Fulbright students sponsored by IIE, AMIDEAST, or LASPAU) may be able to transfer their SEVIS record to the University of Utah's sponsorship in order to complete their degree after their sponsor's funding period has expired. Transferring in a student's SEVIS record is contingent on the approval of the student's original sponsoring organization.

To request the University of Utah to accept a transfer of your SEVIS record, this form must be completed and signed by your advisor at your sponsoring organization and uploaded to the "J-1 Student "Transfer-In" E-form prior to final submission.
